Portfolio: <https://www.chinazachimbo@gmail.com>

Experienced Laravel and PHP developer. Enthusiastic about writing clean, efficient, and accessible code in a functional framework. Committed to the total development life cycle, the maintenance of code quality and bug-free applications is of the utmost importance. Expert in leveraging the latest software tools to optimize data storage, e-commerce functionality, and fluidity across mobile platforms.

Also skilled at communicating with the diverse parties involved in the development process to solve problems efficiently. I am passionate about my work and adapts quickly to new technologies. Constantly looking to improve and learn.

Besides working on day-to-day tasks, I am also an open-source contributor and a big-time anime and video game lover.

Skill Set

1. HTML5, JavaScript, CSS, Bulma, Bootstrap
2. Oracle, MySQL, PostgreSQL, SQL Server, MongoDB
3. PHP, Laravel
4. Javascript
